# OVERCOMING DISGUISED ENEMIES

An enemy is a person who feels hatred for, fosters harmful designs against, or engages in antagonistic activities against another; an adversary or opponent. Wikipedia says the enemy comes from the 9<sup>th</sup> century latin word 'inimi', derived from latin for "bad friend". Enemy is a strong word, and emotions associated with the enemy would include anger, hatred, frustration, envy, jealousy, fear, distrust and possibly grudging respect. Many of us would like to know who our enemies are so as to protect or defend ourselves but sometimes that is not sufficient to be safe. In 1Kings 17:1-11, the men of Israel knew Goliath was their enemy. He told them so and invited them to battle but no one volunteered until David took up the challenge. In Matt. 14, Herod took over the wife of his brother Philip. We didn't hear that Philip protested. It was a busybody pastor called John the Baptist that protested and he lost his head in the process. In Gen. 26:12-22, Isaac knew the men of Gerah envied him because he was successful. They did not take over his wells. They filled them up with sand. They did not hide their motives. <sup>16</sup> And Abimelech said unto Isaac; Go from us; for thou art much mightier than we. In 1 Sam. 18: 10-15- (Saul threw javelin at David twice. In verse 15- Saul was afraid of David). But in this message, we are looking at disguised enemies. **Disguised**

- To modify the manner or appearance in person, for example) in order to prevent recognition. - Having an appearance that hides the true form Let us look at a few examples from the bible. 1Kings 22:1-35- this is a very interesting story. Two kings who were in-laws decided to go to battle. Ahab king of Israel and Jehoshaphath King of Judah. They were in-law as because of their children. Do you know the wife of Ahab is the famous Jezebel. Jehoshaphat asked them to ask God before going to battle. Ahab had 400 prophets that told him to go up to Ramoth Gilead to fight. <sup>7</sup> And Jehoshaphat said, Is there not here a prophet of the Lord besides, that we might enquire of him? That is strange. Why would 400 prophets speak and you are still asking for a prophet? Eventually they sent for Micaiiah. They tried to influence his prophecy by asking him to align. When he came he delivered the message but interestingly Ahab told him to tell the truth. He told Ahab it will be his last battle. <sup>29</sup> So the king of Israel and Jehoshaphat the king of Judah went up to Ramoth Gilead. <sup>30</sup> And the king of Israel said unto Jehoshaphat, I will disguise myself, and enter into the battle; but put thou on thy robes. And the king of Israel disguised himself, and went into the battle. In the definition of enemy, I

told you it came from the himself. 1 Kings 22:32-34. word "bad friends". Do you really know your friends? - David said his so called good friend had betrayed him. He said I will call on god and He will save me. - When Jehoshaphat was betrayed by his in law, he called on God and God delivered him. The arrow of death hit Ahab where he was not secure. I am praying for you, every arrow of death/destruction fired at you will return to senders in Jesus name. May the good Lord deliver you from enemies who are disguised as friends in Jesus name? There are also disguised enemies who are opposed to what you stand for. They plot to take out the righteous. Acts 23:12-16. They went further to get the cooperation of the chief priests and elders. Ask for Paul to be brought for questioning but we will kill him. Ephesians 6:12- For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of <sup>4</sup>the darkness of this age, against spiritual hosts of wickedness in the heavenly places. Who can deliver from such a plot? Acts 23:16- So when Paul's sister's son heard of their ambush, he went and entered the barracks and told Paul. How come this young man heard of their plans? In Esther 2:21-23 Two of the king's eunuchs plotted to kill king Ahasuerus.

Mordecai heard about the plot he told Queen Esther who told her husband. The men were executed. How come Mordecai heard them? In Daniel 6, the king was planning to promote Daniel and to set him above the whole kingdom because an excellent spirit was in him. Dan 6:4- Then the presidents and princes sought to find occasion against Daniel concerning the kingdom; but they could find none nor fault; forasmuch as he was faithful, neither was there any error or fault found in him. - Do you know that some people may make you an enemy for being competent? - Do you know that not being corrupt can make you have enemies? - Do you know that following due process can land you in trouble with those who don't want progress? So they plotted against Daniel. They were his colleagues. They made the king sign a decree that was designed to catch Daniel. The king when he realized what he had signed could not deliver Daniel. Daniel 6:14- Then the king, when he heard these words, was sore displeased with himself, and set his heart on Daniel to deliver him: and he labored till the going down of the sun to deliver him. Who delivered Daniel? God. Finally, there are disguised enemies that you can never imagine. Ezekiel 11:1-4 Elders of the city who are working against the interest of the city. You can never suspect them, you think they are providing solution but they are actually the source of the problem.

The Yoruba have a proverb that the insect that is destroying the vegetable is located or dwells inside the vegetable. Are you aware that your biggest enemy can be your brother? Gen. 4:8- And Cain talked with Abel his brother: and it came to pass, when they were in the field, that Cain rose up against Abel his brother, and slew him. Did Esau ever imagine that his twin brother Jacob will disguise himself and approach their father to obtain the blessings the father had for Esau? Micah 7:2- The good man is perished out of the earth: and there is none upright among men: they all lie in wait for blood; they hunt every man his brother with a net. Micah 7:5- Trust ye not in a friend, put ye not confidence in a guide: keep the doors of thy mouth from her that lieth in thy bosom. Lovers/partners can become treacherous. Are you not aware of the boyfriend that partnered with his mother and a fake pastor to kill the girlfriend for money making ritual? So what should we do? Micah 7:7- Therefore I will look unto the Lord; I will wait for the God of my salvation: my God will hear me. So what can be learnt about how to deal with disguised enemies? 1. Awareness- the fact that you have not identified your disguised enemies does not mean they do not exist. They may be nearer than you think. - David did not know that the son that he loved so much Absalom was his enemy. - Pharaoh did not know he was feeding and taking care of one of the children of his enemies called Moses.
